

National level online hands-on workshop on “Primer designing and gene expression analysis”

Course Description	Date	Time	Fee
Primer designing and Gene expression analysis	28.10.2020 (Wednesday)	10.00 AM to 3.30 PM (Including session break)	Rs. 500/-

The primers are a short stretch of oligonucleotides that impacts the entire DNA amplification process, both in-vivo and in-vitro. Proper primer designing and quality checking are essential for data analysis.

The virtual workshop will provide hands-on experience to the participants using different tools available for primer designing and its application on gene expression analysis.

E-certificate will be given to the participants.

Eligibility : Graduates / Students pursuing B.Sc. / M.Sc. / B.Tech / M.Tech / Research scholars / Faculties in Life science, Biotechnology, Microbiology.

Registration fee : Rs. 500/-
