

## Online hands-on workshop on "DNA Sanger's Sequencing data analysis & Mutation analysis" organized by VIT-TBI

DNA sequencing is a technique used to determine the exact sequence of bases in a DNA molecule. With Next Generation Sequencing (NGS) sparks a revolution, sangers sequencing was the first developed and still being imperative for the better understanding of the gene and genome for SNP detection and mutation analysis.

The virtual workshop covers the basic concept together with hands-on experience on data interpretation and analysis using Bioinformatics tools.

e-Certificates will be provided to the participants upon successful completion

### WHO CAN ATTEND?

**Graduates / Students  
pursuing B.Sc. / M.Sc. /  
B.Tech / M.Tech /  
Research scholars /  
Faculties in Life science,  
Biotechnology,  
Microbiology**

### ONLINE PAYMENT DETAILS

VIT TBI E-Payment Bank details	
Name of the Bank	Indian Bank
Bank Account Name	VIT-TBI
Bank Account Number	407580535
Bank IFSC Code	IDIB000V086
Bank Branch	VIT Branch

**Venue Details:  
Online (ZOOM platform)**

**Registration fee : Rs. 550/-  
Date: 7.10.2023 (Saturday)  
Registration closes on: 6.10.2023, 3 PM  
Timing : 10 AM to 2 PM**

**Registration Link :**

**<https://forms.gle/6ZMp3AvEiBjFXvyj6>**

**Note: Meeting credentials and  
workout materials will be sent to  
the registered participants a day  
before the training program**
