

ETS – PCBMATE – 1500W

Industrial Standard High Accurate PCB and Antenna Prototyping Machine Series with Manual and Automatic tool Change Options

SPECIFICATIONS:

Working Area -400x300x100mm

Volume -650x550x540mm

Main Axle Power Rate -1.5KW

Main Axle Rotating Speed -24000RPM

Max. Working Speed -3500mm/min

Feeding Height -150mm

Engraving Tool -1-7mm

System -Mach3

Working Drive -0.02-0.05mm
