

pH meter

- Make & Model : Eutech Instruments Cyberscan pH 510
- pH range : 0.00 – 14.00
- Resolution : 0.01 & ± 0.01 pH
- mV range : ± 199.9 mV
- Temperature range : 0° – 100° C
- Calibration points : 03
- Applications : Compatible for testing H^{+} and OH^{-} concentration from all samples
